### CAPITOL AREA SOUTH UNITED METHODIST WOMEN

#### PRESIDENT'S MESSAGE

~~~~~

Happy New Year!! Yes, we have longed to close the pages of 2020 and jump into a fresh new year, and here it is!!!

Many are calling 2021, the year of hope! The vaccines are arriving, and people are beginning to be protected against COVID-19. Hopefully within the first part of 2021 all who wish to be vaccinated will have that opportunity.

Let us continue to spend time praying for our UMW missionaries and mission sites during 2021. A number of you have expressed how much this opportunity has meant to you and your local UMW group. If your group has not participated, we encourage you to join your Capitol Area South Leadership Team as we daily pray for those listed in the Prayer Calendar attachment. Just send it by email or print off some copies and mail or hand-out to your UMW members. Let's surround our missionaries and mission sites in prayer as they also enter 2021 with hope.

As we celebrate what we have been able to accomplish in 2020 and look to meeting together in person, your local UMW leaders have their officer list, Mission Today form (which include census information), and Reading Program participation form to complete and send to the appropriate CAS officer listed on each form. Thank you for those who have already completed these tasks, but we will include the above-mentioned forms with this communication, just in case that email and/or forms got lost in your Christmas excitement.

Sisters in Christ, you are a blessing to us all, and we are so thankful for you. May we together enter 2021 hand in hand, with God guiding us to again meet our daily challenges with the hope of Christ.

Gratefully,

*Linda Miller and CAS UMW Leadership Team*
